NOTE—Contn. sheet.

GPE—6,000—17-6-12.

Chief Court of Mysore,

Bangalore, dated 29th April 1912.

From,

V.A. Rajaratna Mudaliar Esquire,
Registrar of the Chief Court of Mysore.

To,

C.S. Balasundaram Iyer, Esquire,
Offg: Secretary to Govt: of Mysore,
General and Revenue Departments.

S i r,

I am directed to state that the District Judge of Mysore reports that the District Law Court buildings are unconnected with the telephone system with Mysore City and that it would be a great convenience to the public, to the members of the ~~Law~~ Bar, to the Police and Court officials as well as to the judicial officers working in the Law Courts if it is connected with the telephone line. A copy of the list enclosed herewith shews that many places of public business, offices and even police stations are on the telephone.

I am to suggest that orders may be issued for running a telephonic line from the Public Offices exchange to the District Law Court buildings and for installing a telephone in the latter building.

An estimate for the same prepared by the Superintendent, Mysore Power and Light, amounting to Rs. 526/- is herewith forwarded.

I have the honor to be,

S i r,

Your most obedient servant

V. Rajaratnam
